Directorate of Higher Education  
Himachal Pradesh

Dated : Shimla-171001 the 9<sup>th</sup> April, 2020

To

All the Principal  
Government College of H.P.

Subject: Guidelines regarding Digital Learning Initiatives for college students.

Memo;

As all are aware that the entire country is under complete lockdown for 21 days to combat spread of (Coronavirus) COVID-19 by maintaining social distancing. The Government has also issued different advisories to stay home and stay safe.

Therefore, it is advised to initiate technological efforts to continue teaching & learning from home. The college faculties may use social media platform i.e Zoom App / WhatsApp / YouTube / email etc. for virtual teaching / learning. Besides this, it would be more appropriate, if any Video Conferencing / Meeting Apps be used for online / virtual classes by engaging the students at their own level.

The action taken report / feedback in this regard may sent to this office within 2 days through email.
