① To improve students performance in academics. It was unanimously decided that measures such as addressing doubts and redressed sessions, providing extra reading material to meritorious students and provide special classes to weak students need to be taken. ② To ensure large participation of students in co-curricular activities and to increase the students to perform the staff was directed by the principal to tap talents in students & polish their ability by making them joint workshops. ③ Student excursions and visits to course related centres and industries will be arranged by various units like NSS, RBR, Red Ribbon, Eco Club etc. to ensure extension of their course related knowledge to practical Application. The science and commerce sections will also organize separate visit and extra-curricular activities to ensure participation.

Action Taken on Annual Review meeting in session 2024-25

The following steps have been taken for academic, co-curricular, extracurricular improvement of students :

- 1) Digitalization of library and updation of infrastructure was undertaken as a important measure for academic improvement of students in present session.
- 2) Installation of shooting range in college is unprecedented step taken under the leadership of principal, Dr. Sapna Sanjay Pandit. This is another feather in the cap for this institution.
- 3) Full fledged involvement of teaching department in various curriculum enrichment practices will definitely bring positive results in coming time.
- 4) Maintenance of performance in sports and cultural events at various levels is challenging task but a team of dedicated teachers and workers in the college leave no stone unturned for the same.
- 5) PTA and OSA has played active role in 2023-24 in college's activities and have contributed their best for upliftment of college financially as well as enthusiastically.
- 6) Judicious expenditure of RUSA grant by college has been appreciated by all stakeholders of college.
