EDUCATIONAL TRIP REPORT

An educational trip to Shivalik Solid Waste management centre Dabhota, Nalaganih was successfully organized by the Department of Chemistry on Saturday, 30/12/2023. Thirty one Students and Two faculty members visited to Shivalik Solid waste management Centre to understand how the solid waste can be disposed off.

All the students and faculty members went to the centre in bus. The bus left the campus by 10:30 a.m and reached the venue at 11:00 a.m.

After the security check the students were taken to introduction room and given a briefing of rules and guidelines to be followed by everyone inside the centre. We were escorted to campus by Dr. Deep Kumar and Mr. Gurcharan Singh. They briefly explained about the process and operations undertaken by the centre and machinery like water treatment, separating the organic and inorganic waste. They also explained how the land is filled with waste material and disposed off. Finally we were taken to seminar hall by our guide Mr. Gurcharan Singh.

In seminar hall Mrs. Suman Lata explained the entire process of waste management through various models. She also explained the importance of 5'S i.e. 1S - SEIRI, 2S - SEITON, 3S - SEISO, 4S - SEIKETSU, 5S - SHITSUKE.
