Lecture on Plastic Processing

CIFET, Central Institute of Petrochemical Engineering & Technology organised a lecture on Plastic Processing for the students of G.CO-CLUB of Govt College Nalagarh. In which Mr. Manoj, a delegate from their institute informed students about plastic processing and various training programmes in plastic technology. He described students about the recycling process of plastic. Lecture ended with vote of thanks to Mr. N. Parnesh Baber from CIFET and Principal Govt. College Nalagarh.
