## IBAC Meeting

Dated: 15 October 2024

An IBAC meeting was held in the office of the Principal on dated 15 October, 2024 at 2:30 pm. The following key-issues related to the development of students and enrichment of college infrastructure were taken up for discussion in the House.

### AGENDA-I

Enrichment of College Library:- It was decided that the college library would be provided a facelift by adding to its existing infrastructure and adding more study material to it. It would help the students in a large way and increase the footfall of students to the college library.

### AGENDA-II

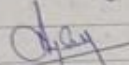

Education-Employment Initiatives to be focussed upon:- It was decided that the institution would not only cater quality education to the subjects but would also prepare them for employment in diverse sectors. The Career Counselling and Placement Cell of the College would organize placement drives in this direction to guide the students towards suitable & profitable employment avenues.

### AGENDA-III

GREEN CAMPUS INITIATIVE:- It was an important issue for the institution to 'go green election' especially when the task of widening of National Highway was being taken up just outside the main gate of the college. The laid work had generated a lot of dust & pollution just outside as in the periphery of the college. The IBAC

cell suggested that massive plantation drives be carried out in the campus to ensure a clean & green ambience. Different clubs, societies, NSS service units were to be involved in this initiative. The said task would curb the problem of pollution & dust to a large extent and help in building a conducive learning environment.

The meeting concluded with a Vote of Thanks to the Chair.
